LETTER DATED 22 JUNE 1992 FROM THE CHARGE D'AFFAIRES A.I. OF THE PERMANENT MISSION OF ALBANIA TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

Upon the instructions of my Government and with reference to your note concerning the implementation of Security Council resolution 757 (1992), I have the honour to submit a report herewith of measures taken by the Government of Albania to implement this Security Council resolution.

The Government of Albania, in keeping with the obligations of Member States under the Charter of the United Nations, fully implements the provisions of Security Council resolution 757 (1992). At a session held on 4 June 1992, the Government of the Republic of Albania supported in its entirety resolution 757 (1992) and adopted measures that were implemented as from 1 June 1992 in all their provisions. At the same time, the Government of Albania, consistent with the principles of its foreign policy and its stand on the peaceful solution of the Yugoslav crisis and all problems in the former Yugoslavia, since the very beginning has supported the efforts made by United Nations and international institutions to this end. Therefore, the Government of Albania will respect the obligations incumbent upon it under the Charter of the United Nations and will comply with the provisions of the Security Council resolution despite the adverse consequences of the embargo for the Albanian economy.

The Government of Albania instructed all State institutions to take all the necessary steps in the field of their competence consistently to implement the resolution, especially paragraphs 3 to 14.

The Albanian Government has decided and has taken appropriate measures not to tolerate even a single case of any Albanian citizen or private company, through their activity, seeking to urge to exchange goods of Serbian or Montenegrin origin, or especially when they appear as representatives of the Albanian party. The State organs will exercise the proper control to monitor the utilization of these measures.

There is no aviation agreement between Albania and Serbia and Montenegro concerning air service and hence no air link exists between the two parties. As for the prohibition of provisions on technical cooperation, assistance or training the Government of Albania has implemented strict regulations, so the ban required by the Security Council resolution shall be implemented. Also the number of the Yugoslav diplomatic staff in Tirana is required to be reduced.

I should be grateful if you would arrange for this letter to be circulated as a document of the Security Council.
